

# GETCHELL GUARDIAN

RISK MANAGEMENT FOR TODAY'S BUSINESS

## A RISK MANAGEMENT PROGRAM TO ENSURE THE HEALTH OF YOUR BUSINESS

The Getchell Companies has identified an ever increasing need for Risk Management and Loss Control services in today's business environment. Getchell Guardian has been developed to meet this requirement head on.

Getchell Guardian encompasses a variety of services that goes above and beyond the generic insurance agency administrative functions. Pulling from extensive insurance carrier resources and agency resources, each plan is customized to cater to every clients' unique risk. One goal however, remains the same for every customer—to identify patterns and exposures in each business and work to mitigate these risks with appropriate and proactive measures.

The Getchell Guardian Program is available to all Getchell Companies clients at no extra cost. Once enrolled, each client is assigned to a team responsible for implementing and ensuring the success of the program.

We look forward to assisting your business obtain your safety and operational goals.

Proactive.  
Persistent.  
Results.
